

COMPLAINT VERIFICATION REPORT

Name of the industry: - M/s Subh Laxmi Processors Pvt. Ltd,

Address of the industry: - Araj No 1678, 1688, 1692 to 1695, 1701., 4097/1695,7697,
1697/3 1698, Village- Hamirgarh, Tehsil &
District:Bhilwara,

As per the telephonic complaint received by Sh. Kishan Gurjar, on 23.01.2026 regarding discharge of industrial effluent through in the rain water drain, that passes through the premises of M/s Shubh laxmi and in compliance of directions received, undersigned Board officials inspected unit and verified the complaint on 23.01.2026.

During the inspection of aforesaid unit following observations were made-

A rainwater drain passes through the middle of Subh Laxmi Industry. We measured TDS at the industry's drain entrance point, which was found 1840 ppm, and at the point outside the industry, which was found 1280 ppm.

Industry drain entrance point - TDS: 1840 ppm.

Outside the industry (drain exit) - TDS: 1280 ppm.

Submitted for reference and further necessary action: -
